

PE|RE|JA

From past to present...

Pereja Advanced Chemical Industry Inc., known for being the first eau de cologne brand has its roots in the late Ottoman period. The company is currently one of the leading cosmetics companies that manufactures personal care, fragrance, cosmetic and hygiene goods with international standards. Our products are harmless to the human health and the environment. Our integrated factory is built on 96.000 m2 land area of which 20.000 m2 is currently enclosed, in Edirne Organized Industrial Zone. After having manufactured in Istanbul for many years, the company has moved the manufacturing units to the full integrated and modern site in Edirne.

The factory is now extending the production units in an additional 14.000 m2 during 2021. By next year, Pereja will have been operating in 34.000 m2 enclosed facility. Our production site is equipped with advance technological production units, warehousing, and quality control systems.

Our manufacture lines varies in different cosmetic products. Liquid personal care production and filling lines, alcohol based cosmetic products lines are fully automated. The new automated bar soap line has just started to produce. The new aerosol filling line will be in production very soon. The machinery line constructions are currently in progress.

Not only our company has produced the first Eau de Cologne in Turkey, also Pereja is the first liquid soap manufacturer in Turkey with well known Sandy brand

Our company invests considerably amounts of budgets for research and development studies. R&D team consists of well trained and experienced chemical engineers. Following the technology and trends in cosmetics our team does new researches for innovative products.

Pereja Advanced Chemical Industry Inc., which has a wide range of products such as cologne, liquid soap, perfume, shampoo, baby care products, and men care products, appeals to consumers from all ages and all walks of life.

PE RE JA

From past to present, Pereja Nostalgic Lemon Blossom Colognes have been produced since the early 1900's and are still taking part in our daily lives. The long lasting fragrance of Pereja Colognes creates a perfume effect. It lasts all day long with its refreshing, invigorating, and pleasant scent. Upon your needs, you can choose the appropriate size from the various packaging options.

Geçmişten günümüze Pereja'nın asırlık geçmişi ile 1900'lü yıllarda üretilen ve halen 7'den 70'e bilinen, kullanılan Nostalji Pereja limon kolonyası günlük yaşantınıza konuk oluyor. Pereja Kolonyalarının uzun süre kalıcı kokusu, adeta parfüm etkisi yaratır. Serinletici, canlandırıcı ve hoş kokusu ile günün her saatinde vazgeçilmezdir. Farklı boydaki ambalaj seçenekleri ile ihtiyacınıza uygun bir Pereja kolonya her an yanınızda.

EXPORT

Being one of the leading cosmetics manufacturer, Pereja has currently been exporting to more than 83 countries. More than 50% of its export is for European countries. With regular attendance to international fairs, B2B activities and networking studies, our company extends the export capacity to a higher level in Africa, Middle East and Asia

Pereja Company is the first Turkish company which attended as an exhibitor for Cosmoprof Bologna. Pereja has been the first company to represent Turkish Cosmetics in international arena. Currently our company has been attending to all leading international exhibitions worldwide.

LEADING PRIVATE LABEL MANUFACTURER

Having the biggest capacity in alcohol based cosmetics products, Pereja has been supplying for the most of private label brands in Turkey. With the fully automated integrated production facility, Pereja is capable of responding all the needs of its business partners effectively in very short time frame.

For over hundred years' experience and reputation our company is one of the most favourite suppliers for private label projects. We currently offer effective solutions to our business partners both in Turkey and abroad. Most of Turkey's multi chain stored retail companies such as supermarkets and home textile brands choose our company to have their products manufactured.

Certificates we have;

GMP Documentation comprises protective measures to prevent and reduce the contamination of manufactured products by internal and external factors. This document guarantees that we manufacture our goods through a reliable and efficient production process.

ISO (International Organization for Standardization) 9001 Quality Certification indicates that products or services are handled and administered in compliance with an internationally recognized quality management system. This document guarantees that our products will always have the same quality.

OHSAS (Occupational Health & Safety System)

ISO 14001 : 2009 (Environmental System)

Reach Certificate (Compliance)

ŞİRKET PROFİLİ

Kuruluşu bir asıra dayanan, Pereja İleri Kimya Sanayi A.Ş, başta kolonya, parfüm, vücut spreyi, oda ve kumaş spreyi gibi kokulu ürünlerin yanı sıra sabun, şampuan, vücut losyonu kişisel bakım ve kozmetik ürünleri üretimi yapmaktadır. Ürünlerini insan ve çevre sağlığına zarar vermeksizin uluslararası standartlarda üreterek tüketicisine sunan Pereja İleri Kimya Sanayi, Türk kozmetik endüstrisinin lider kuruluşlarından biridir. Türkiye’de ilk limon kolonyası markasına adını veren Pereja, ayrıca ülkemizde Sandy markası ile ilk sıvı sabunu üreterek sektöre ilkleri kazandırmıştır. Tümüyle entegre üretim tesislerimiz Edirne Organize Sanayi Bölgesi’nde 25.000 m2 kapalı olmak üzere toplam 100.000 m2’lik bir alanda faaliyet göstermektedir. Uzun yıllar faaliyetlerini İstanbul’da sürdürdükten sonra Edirne’deki modern üretim tesislerine taşınmıştır. 2018 içerisindeki başlatılan büyüme planı çerçevesinde, tesislerimizin 15.000 m2’lik ek üretim ünitelerinin yapımı devam etmektedir. Üretim tesislerimiz son sistem depolama ve kalite kontrol birimleri ile donatılmıştır. Koku, kişisel bakım ve ev kozmetiği konularında oldukça geniş bir ürün yelpazesine sahip olan firma, her yaş ve segmente hitap etmesi ve üretim tesislerindeki yüksek teknolojiye sahip güçlü altyapısıyla sektörde ayrışır. Kendi markalarının dışında pek çok ulusal ve uluslararası markanın ürünlerini geliştirmek ve üretmektedir. Tümüyle entegre üretim tesislerimiz Edirne Organize Sanayi Bölgesi’nde 25.000 m2 kapalı olmak üzere toplam 100.000 m2’lik bir alanda faaliyet göstermektedir. Uzun yıllar faaliyetlerini İstanbul’da sürdürdükten sonra Edirne’deki modern üretim tesislerine taşınmıştır. 2018 içerisindeki başlatılan büyüme planı çerçevesinde, tesislerimizin 15.000 m2’lik ek üretim ünitelerinin yapımı devam etmektedir. Üretim tesislerimiz son sistem depolama ve kalite kontrol birimleri ile donatılmıştır. Pereja İleri Kimya A.Ş.’nin toplam 82 ülkeye gerçekleştirdiği ihracatın % 50’lik bölümünü Avrupa ülkeleri oluşturmaktadır. Üretim tesislerinde farklı kozmetik ürün grupları için tasarlanmış özelleşmiş üretim birimleri bulunmaktadır. Konusunda uzman ve deneyimli kimya mühendisleri ve kozmetik kimyagerlerinden oluşan AR-GE Merkezi, pazarlama ve satış ekibi ile Pereja dünyadaki tüm yenilikleri takip etmekte ve yeni ürünler geliştirmeye yönelik çalışma ve projeler yürütmektedir.

Perakendecilik konusunda yaklaşık üç yıldır hazırlıklar yürüten Pereja, ilk konsept mağazasını 2019 Haziran ayında İzmir Çeşme Sheraton Oteli’nde açtı. Yaz ve tatil temalı özel bir koleksiyonun sunulduğu mağazada parfümlü ürünler, kişisel kozmetik ve ev bakım ürünlerinin yanısıra çeşitli aksesuarlar da satılmaktadır. Perakende projesinin devamı olarak çok kısa süre içerisinde Maison Pereja mağazaları hizmete girecektir.

VERDURE

DEEPEST BLUE

Deodorant Sprey
150ml

Eau De Parfum 100ml

2'li HEDİYE SETİ

Verdure nin siyah renkli ambalajıyla anlatıldığı bu özel çeşidi, kendisini gecelerin adamı olarak hisseden, kokusuyla bulunduğu ortama imza bırakmak isteyenlerin kokusu. Son derece güçlü bir açılışı olan koku üst notalarında zencefilin baharatı kokusu ve yeşil dinamik notalarla başlıyor. Orta notalarda paçulunun topraksı ve tatlı karakteri esmer şekerin de ağırlığıyla daha da güçleniyor. Kokunun alt bölümünde ise bir erkek parfümüne imza karakterini verebilecek notalar olarak deri, odunsu notlar ve sedir ağacı yanında yine tatlı ve eğlenceli cashmeran ve vanilya notaları ile yapıyor. Verdure Night Crawler parti ve davetler için yayılımı güçlü ve kalıcı bir koku. Bir kez seçtiğinizde vazgeçemeyeceksiniz.

SUNSET SAFARI

Deodorant Sprey
150ml

Eau De Parfum 100ml

2'li HEDİYE SETİ

Verdure'nin kahverengi ambalajı ile temsil edildiği Sunset Safari, günbatımında çikılan bir safari gezisinden esinlenerek tasarlandı. Kızgın kumlarda esen sıcak çöl rüzgarı, üst notalarda vanilyanın sarı sıcak karakteriyle sembolize ediliyor. Orta notalardaki baharatlı akorlar kokunun ana gövdesini oluştururken parfüme egzotik karakterini veriyor. Gün batımının kehribar kıvılcı rengi amber ile alt notalarda yoğun olarak hissedilirken kokunun finali tonka fasulyesinin çikolatimsi tatlı karakteri ile gerçekleşiyor. Maceraperest ruhlu olan kişiler ve farklı kokulardan hoşlanana özellikle tavsiye ederiz.

2'li HEDİYE SETİ

Verdure'nin siyah renkli ambalajıyla anlatıldığı bu özel çeşitli, kendisini gecelerin adamı olarak hisseden, kokusuyla bulunduğu ortama imza bırakmak isteyenlerin kokusu. Son derece güçlü bir açılışı olan koku üst notalarında zencefilin baharatlı kokusu ve yeşil dinamik notalarla başlıyor. Orta notalarda paçulunun topraklı ve tatlı karakteri esmer şekerin de ağırlığıyla daha da güçleniyor. Kokunun alt bölümünde ise bir erkek parfümüne imza karakterini verebilecek notalar olarak deri, odunsu notlar ve sedir ağacı yanında yine tatlı ve eğlenceli cashmeran ve vanilya notaları ile yapıyor. Verdure Night Crawler parti ve davetler için yayılımı güçlü ve kalıcı bir koku. Bir kez seçtiğinizde vazgeçemeyeceksiniz.

NIGHT CRAWLER

Eau De Parfum 100ml

Deodorant Sprey
150ml

2'li HEDİYE SETİ

Verdure'nin yeşil ambalajı ile temsil edildiği Secret Jungle, saklı bir orman kösesinden esinlenerek tasarlandı. Doğanın kuytu ve bil değmemiş bir ormanın hikaye edildiği bu koku, bergamot greyluft ve nane notalarının taptaze ve femiz karakterleri ile açılış yapıyor. Orta notalarda hissedilen deniz ve çay notaları kokunun yeşil mavi tonlarındaki gövdesini oluştururken bu bölümde bu saklı ormandaki minik tuz gölü sembolize ediliyor. Parfümün duru ve sakin karakterli rafine hali, Secret Jungle'ın finalinde daha belirgin hissediliyor. Kokunun adına yakışır şekilde odunsu notalar, sedir ağacı, kumarin ve orman kokusunun dingin karakteri ile yapıyor. Gün boyu temiz ve ferahlık hissini sevenler için ideal bir koku olarak tavsiye ederiz.

Prize Floral Line will provide the care you need with its variety of refreshing and relaxing fragrances. The Skin care products moisturizes effectively without leaving a feeling of stickiness and greasiness. Body sprays will be the best choice for a light and refreshing effect throughout the day. Revitalizing shampoos that create a sense of freshness are ideal to use for all types of hair. Reed diffusers will add an exquisite scent to your environment in every use.

Prize Çiçek Serisi rahatlatan ve ferahlık hissi veren koku çeşitleriyle, ihtiyacınız olan bakımı size sunacaktır. Cilt bakım grubunda etkili formüle sahip vücut losyonları, yapışkan ve yağlılık hissi bırakmadan nemlendirir. Hafif bir etki için vücut spreyleri, günün her anında tercihiniz olacaktır. Canlandırıcı etkisiyle, saçlarınızda ferahlık hissi yaratarak arındıracak şampuanlar, tüm saç tipleri için idealdir. Temizlik hissi veren çubuklu oda kokuları ile her kullanımda ortamınıza güzellik katacak.
